

## Get your LimitedEdition95

### **A journey through time - portrayed in a climate test chamber.**

To mark the 95th anniversary of the production of our Balingen plant, we are proud to present a strictly limited edition of 95 ClimeEvent and TempEvent test chambers in sizes ranging from 180 litres to 1500 litres. This limited edition is characterised not only by its outstanding performance, but also by a unique design that celebrates the evolution of the technology over the decades.

#### **Our Highlights:**

- 95 limited TempEvent and ClimeEvent test chambers
- LimitedEdition95 test chambers available from stock
- Unique design featuring images of devices from different decades
- Special edition with special discount & 24-month warranty

# Convincing technology. Reliable results.

## Unique design - at an unbeatable price.

The customisation of the front of our Limited Edition is particularly noteworthy. Here you will find a fascinating collection of images of devices from different decades, reflecting the journey of our brand and the progress made in environmental simulation technology.

You have spurred us on to these top achievements. So now is the time to give something back to you. We would like to say thank you with this special edition! Benefit from the usual weissttechnik premium quality at an unbeatable price.

Be part of this exclusive journey through the history of environmental simulation and celebrate 95 years of pioneering innovations with us. Order your limited edition now and secure not only a state-of-the-art climate test chamber, but also a piece of history!
